

Torrance High School

***Mission * Vision * Values**

What is our mission?

THS seeks to create true Tartars who will:

- Behave respectfully, responsibly, and compassionately
- Read intentionally
- Think critically and analytically
- Write purposefully
- Communicate and collaborate effectively

What is our vision

Torrance High School commits to a pragmatic approach to produce substantial gains in student achievement by practicing quality academic pedagogy to prepare and empower all students to be life-long learners in which they contribute to our national and global community.

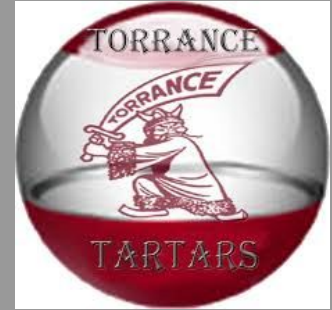

What are our values?

STUDENTS

All students can and will learn.

**All students will gain the knowledge, skills,
and mindset to be successful.**

What are our values?

STAFF [TO STUDENTS]

We will provide and maintain an inclusive classroom that:

- **maximizes instructional time,**
- **values all students,**
- **fosters student-initiated learning,**
- **establishes high expectations, and**
- **prepares students for the 21st century.**

What are our values?

STAFF [AS PROFESSIONALS]

We are committed to implementing Response To Intervention with full fidelity by working collaboratively to develop, assess, and analyze data, and utilize best-practices to ensure all our students have access to attain an excellent education.

TARTAR PRIDE!
